is considered to be the Best 9 Company-based Capstone Projects out of 29 projects this semester.

Bangkit is an approved Kampus Merdeka - Study Independent program fully supported by the Ministry of Education, Culture, Research, and Technology - Republic of Indonesia. This industry-led, interdisciplinary, and immersive program is designed to produce high-caliber technical talents for world-class Indonesian technology companies and startups.

In this even semester 5,013 students from 376 universities across Indonesia were selected from more than 67,000 registrants to join Bangkit. They learned to improve their technical skills, soft skills, and English competencies to help them get better employability in their future careers in the technology industry.

Sincerely,

A handwritten signature in black ink, appearing to read 'Mutiara', written over the Bangkit logo.

Mutiara Arumsari

Bangkit ID Program Manager
